

Size of the Logo needs to be reduced as shown above

Renaming & Corrections

- Search icon needs to be added next to the search box
- Internet Explorer version needs to be included
- New tab should be opened when we click tamilbible.com and fms.
- Unnecessary commas should be removed from the street address
- The fonts of Church street address should be enlarged
- To prevent the slow loading of the banner, reducing the size by around 1 cm from the bottom.
- “Promise of the Month”, “Article” and “Weekly Prayer” should be at centered
- Welcome to EGC should be one phrase
- **FONTS OF SUBHEADINGS SHOULD BE CHANGED TO “COPPRPLGOTH BD BT”**
- Fonts of subheadings should be uniform
- Firefox Browser is not fully supported
